More About Stinger

Stinger Folding Features

The ingenious folding features of a Stinger Trailer lets you haul up to 3 motorcycles at a time as well as your recreational vehicles. When folded up the upright storage footprint of a Stinger Trailer is so small we are able to ship all our trailers via regular freight on wooden skids.

Stinger All Weather Trailer Cover

Whether you are storing your Stinger Trailer indoors or outdoors with our all weather trailer cover you can conceal & protect your folded Stinger Trailer from the elements. Stinger Storage Covers are available in two sizes, large and small to custom fit your Stinger Trailer model. Gromet holes on the bottom cover edge provide added tie-down protection.
